STORY

PHONES

Grandad's in the city... and there's an app for everything!

1

"Been a while since you've come to the city," says Dad. Grandad goes to pay Ziggy the taxi driver, but he drives off! "He's already been paid, Dad. On the internet," says Mum. "Gee, that internet thing's really taken off, hasn't it?" says Grandad... "Hey, ah, what's an app?"

2

Bluey and Bingo give Grandad a big hug. "Can you please play with us, Grandad?" asks Bluey. "Oh yeah, you bet. What are you playing?" asks Grandad. "We're playing Restaurant," Bingo tells him. "You'll need your phone," Bluey adds. "I haven't got one," says Grandad. Bingo gives him hers and scoots off to make another one.

3

"This is where you live," says Bluey, showing Grandad his home. "Is this my house?" asks Grandad. Bluey points to a picture and says, "No. It's theirs. You pay them on your phone to have a holiday here."

4

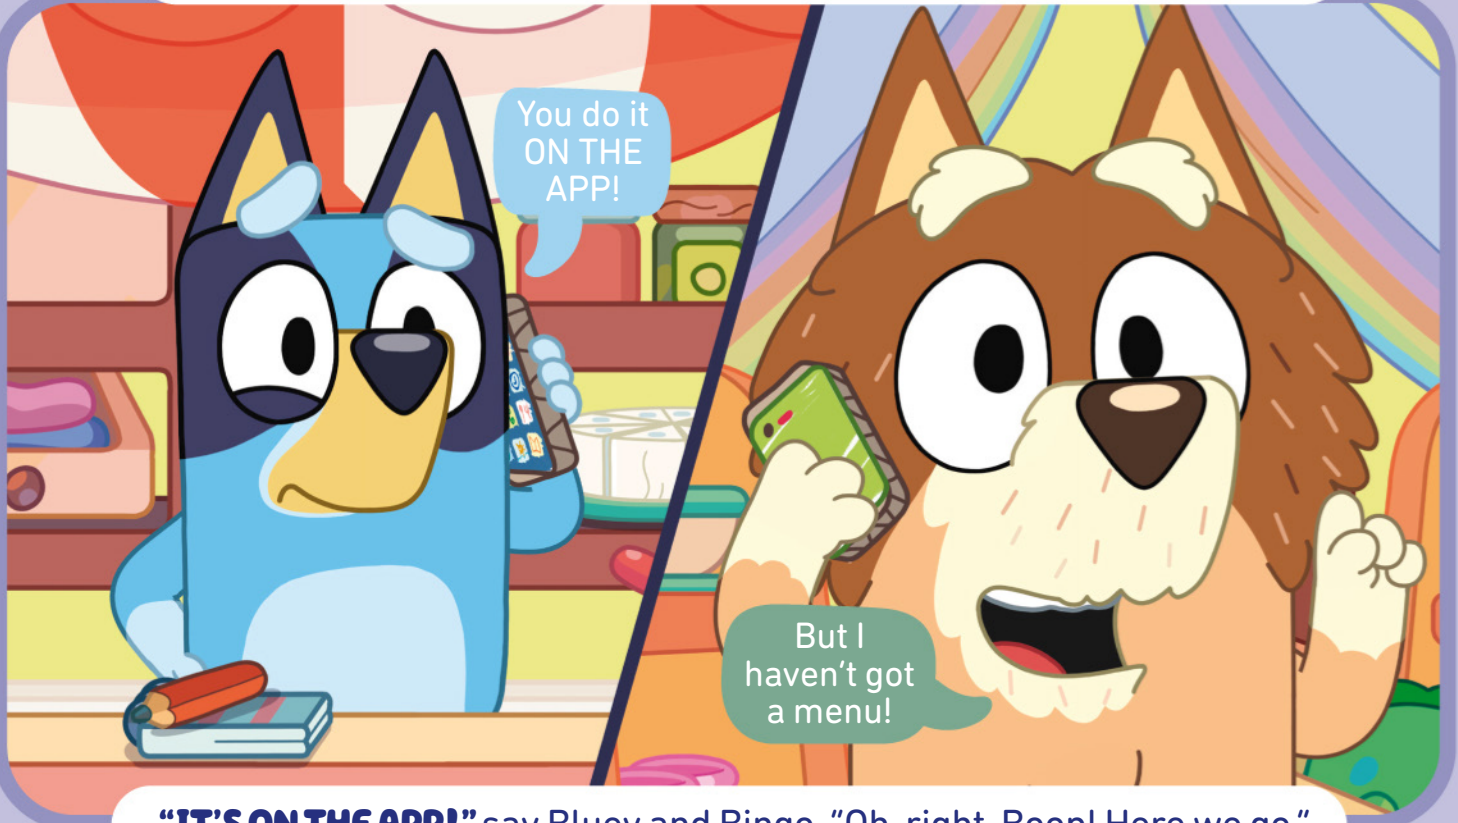

"Okay, I work at the restaurant and you want some food," says Bluey, heading back to the restaurant. But then, Grandpa strolls up! "What are you doing here?" ask Bluey and Bingo.

"Oh right, yeah yeah, I know what's going on. I use my phone," says Grandad, heading home.

5

"RING RING! RING RING! I'd like to order some food!" says Grandad.
 "You don't phone call the restaurant, Grandad!" says Bluey.

"IT'S ON THE APP!" say Bluey and Bingo. "Oh, right. Boop! Here we go," says Grandad. He can order anything he wants – pizza, burritos...

6

Grandad chooses the curried sausages. Bluey prepares the order while Bingo gets her scooter ready. But then, Grandad shows up again! "Grandad! You don't pick them up, Bingo delivers them to you!" Okay, says Grandad, walking back home.

Soon, Delivery Bingo arrives at Grandad's house. "How're you going? Nice night, eh?" says Grandad. "You don't really chat to the scooter person," calls Bluey. "So I just eat here, alone?" asks Grandad. "You can watch TV on your phone if you like," says Bingo. Grandad opens the app. But he's a bit lonely...

6

7

"Hey, can anyone make one of these apps?" he asks. "Yeah!" say the kids. "Good to know," says Grandad, scribbling with a green pen on his phone. He sends a pavlova order to the restaurant. But when Bluey and Bingo aren't looking, Grandad slips a toy croc into Bingo's delivery box!

8

"I've made an app for that! Just push this button and a Croc Catcher comes to your door," calls Grandad. "Load-down the app! Hurry!" yells Bingo, as Bluey adds the picture to her phone. Boop! "Can you please catch this croc?" yells Bingo.

9

The Croc Catcher tells them what to do. "Get it outside! Grab him by the snout! Jump on its back!" he shouts. "Now, which of your neighbours don't have any pets?" asks Grandad. The kids point at Lucky's house... and they chuck the croc over his fence. JOB DONE!

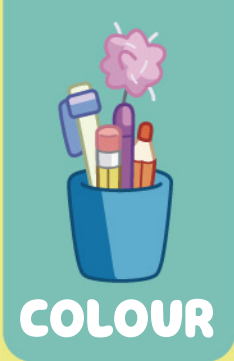

10

Mum comes to get them for dinner. "Things have changed since I was last in the city. Kids are still kids, though," Grandad tells Mum as they stroll back to the house.

Make & play RESTAURANT

You work at the restaurant and your customer wants food. Let's do this!

YOU WILL NEED:

- a bigish box
- thick cardboard
- plastic container
- paper or string
- scissors & glue
- a grown-up to help

Make YOUR PHONES. TOO easy:

- 1 Snip out the phones, stick them to thick cardboard.
- 2 Doodle your apps in the little squares.
- 3 One person stays at home and orders their stuff on the app. Say 'boop' when you tap an app.
- 4 The other person is the deliverer.

TOP-TIP

Stick foil on the back of your phone to make it shiny. Ooooooh.

TO Make YOUR DELIVERY BOX:

- 1 Make your box straps. We twisted old newspaper to make 2 sturdy strips then painted them. When dry, tape them to the box to make 2 straps for your arms to go through. (Or you could use string.)
- 2 Stick your restaurant label and all the food piccies to the box so everyone can see what you deliver.
- 3 Make some food from crumpled paper or snip shapes from card. Pop the grub into a container and put it all in the box.
- 4 Make sure it's a 5-star delivery service!
